

## Eco-Printed Pouches

**Price: 150,000 IDR**

- One zip pouch
- Available in cream or lavender

Produced exclusively for the Indonesian Heritage Society, this zip pouch was printed using an eco-printing technique and natural dyes. Real leaves were used to create the pattern on the outer cloth material. As leaves were used to create the pattern, each one is unique and no two are the same.

## Eco-Printed Scarf

**Price: 500,000 IDR**

- One silk scarf
- Available in cream or brown

This 100% silk scarf is printed using eco-printing technique and natural dyes. Real leaves were used to create the pattern. The handmade nature of the pattern makes each one unique.
